Frontend: React.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Framer, GSAP

State Management: Redux, Redux Saga

Backend / Automation: Node.js (basic), n8n, REST APIs

AI & Integrations: OpenAI APIs, Prompt Engineering, AI Response Handling, Cursor AI

Databases: MongoDB

Payments: Razorpay

Tools & Platforms: Git, GitHub, Vite, Figma, Wix Studio, Hostinger, Squarespace

PROFESSIONAL EXPERIENCE

SRC Designs – Software Engineer

Visakhapatnam | Nov 2024 – Present

Worked on multiple production-level web and AI-driven applications, owning frontend development and AI integrations end-to-end.

Bharat Stories – Kids & Family Content Platform - <https://bharatstorybooks.com>

- Designed and developed a story platform with **age-based profile selection** (kids, children, teens, adults).
- Built a custom **admin panel** to manage age-specific story fields and structured content.

- Integrated **n8n AI workflows** to auto-generate story splits, quotes, headings, and images.
- Reduced manual content effort and improved scalability using AI automation.

Vedic Health Clinic – Doctor Profile & Appointment Booking - <https://vedichealthclinic.com>, <https://drsuhasini.com>

- Developed responsive healthcare websites showcasing doctor profile, services, and experience.
- Implemented appointment booking with **Excel storage + email notifications**.
- Integrated **Razorpay payments** for paid appointment bookings for another doctor.
- Ensured clean UI, mobile responsiveness, and reliable form handling.

Invya – AI-Powered Social Media Post Generator

- Built frontend from **Figma designs** using React and Tailwind CSS.
- Implemented **multi-step (stepper) forms** and **calendar views** for post scheduling.
- Integrated AI APIs to dynamically generate social media content.
- Designed frontend logic for **dynamic prompt generation** and structured AI response handling.

Accelerate – Client Web Application

- Designed and delivered a complete web application using **Wix Studio**.
- Focused on usability, branding consistency, and responsive layouts.

SRC Designs – Company Website - <https://www.srcdesigns.in>

- Built the official company website using **Framer**.
- Implemented modern UI patterns, animations, and responsive design.

FREELANCE EXPERIENCE

- Developed and delivered client websites including agiletechai.com, hyperbite.in and real estate platforms.
- Performed debugging, UI fixes, and performance improvements.
- Maintained strong client feedback and positive reviews on Fiverr.
